Dear Parent(s) or Guardian(s):

Hope that spring has not been too hectic for you. The purpose of my letter is to update you regarding the 2010-2011 kindergarten programs. After consulting with the elementary principals and the Assistant Superintendent, I have made the following decision:

- **All** kindergarten teachers will work all day on Tuesday, Wednesday, and Thursday and will be considered All Day Kindergarten (ADK) Teachers.
- Each school principal will consult with their classroom teachers to develop class lists for his or her building.
- Principals and teachers will place all non-ADK students in classrooms with ADK students. This will provide an equitable and supportive environment for our kindergarten students.
- Principals and teachers will place no less than four non ADK students in any classroom.

After the beginning of the school year, if there are extenuating circumstances, and you wish to change your child's status from non ADK to ADK, your request will be considered on a case-by-case basis.

I know that you are excited and nervous about the coming school year. If you have any questions, please contact your building principal.

Sincerely,

William H. McAlduff, Jr.
